Meru

- African Development Bank (ADB)** **Small Towns and Rural Water Supply and Sanitation Project**
Support for institutional development, water supply and waste water infrastructure
- African Development Bank (ADB)** **Community Empowerment and Institutional Support Project (CEISP)**
To help empower poor communities to access socio-economic services in order to reduce poverty and to improve the management of local socio-economic development.
- African Development Bank (ADB)** **Water Services Boards Support Project**
To improve water supply and sanitation services in urban, peri-urban and rural communities within the service areas of the Tana Water Services Boards (TWSB)
- Government of Italy** **Installation of High Mast Flood lighting structures**
High Mast Floodlighting structures distributed in slums
- World Bank** **Kenya Urban Water and Sanitation OBA Fund for Low Income Areas**
Project aims to increase the number of people in low income areas with access to improved water supply and sanitation services. The project includes expansion water treatment works, installation of new transmission and distribution lines and connectors into un-served areas

Migori

- African Development Bank (ADB)** **Project Title: Water Services Boards Support Project**
Description: To improve water supply and sanitation services in urban, peri-urban and rural communities within the service areas of the Lake Victoria South Water Services Boards (LWSWSB)
- African Development Bank (ADB)** **Project Title: Community Empowerment and Institutional Support Project (CEISP)**
Description: To help empower poor communities to access socio-economic services in order to reduce poverty and to improve the management of local socio-economic development.
- Government of Canada** **Project Title: Maternal Access and Infant Survival for Health Advancement**
Description: to reduce maternal mortality rates by increasing access to quality health care during pregnancy and delivery in Nyeri and Migori regions
- Government of Sweden** **Lake Victoria Environment Management Programme (LWEMP)**
Aimed at generating information to guide policy decisions on sustainable management of the Lake Victoria Basin (LVB). It's an East African Community (EAC) project under implementation in the five countries that share the Lake Victoria Basin: Burundi, Kenya, Rwanda, Tanzania and Uganda.
- World Bank** **Project Title: Water and Sanitation Services Improvement Project (WaSSIP)**
Description: to improve the water and waste water services

Mombasa

- African Development Bank (ADB)** **Support To Enhancement Of Quality And Relevance In Higher Education, Science And Technology**
The overall objective of the project is to contribute to high quality, education and training in STI.
- Danish International Development Agency (DANIDA)** **Mombasa Integrated Solid Waste Management Project**
Funding undertaking of the study
- European Investment Bank (EIB)** **Mombasa-Nairobi Transmission Line**
The project consists of the construction of a 482km 400kv double-circuit transmission line between Rabai (Mombasa) and Embakasi (Nairobi), and the construction of the extension of the Rabai substations
- European Development Fund** **Maternal and child health**
Maternal and child health, family planning and nutrition
- Government of France** **Water and Sanitation**
Finances the upgrading and extension of drinking water supply and sanitation facilities by building the management and planning capacities of regional water agencies and local public water companies.
- Government of France** **Solid Waste Management Improvement Project**
N/A
- Government of Germany (KFW GERMANY)** **Primary and Secondary Education in Poor Areas**
The project will assist children from poor areas to have access to formal education
- Government of Germany (KFW GERMANY)** **Programme development of the Health Sector Support to Health Financing Phase 3 & Mbsp**
Financing of the vouchers for maternity care, family planning and related services within the framework of the output based approach
- Government of Italy** **Rehabilitation of Likoni Sub District Hospital**
Construction of maternity wards and supply of medical equipment in Likoni Sub District Hospital
- Government of Italy** **Mariakani-Kaloleni Water Supply Project**
To provide clean and safe water
- Government of Japan** **Mombasa Port Development (Phase I)**
Expansion of the port through development of a new container terminal
- Government of Japan** **Mombasa Port Area Road Development Project**
Construction of bypass (Dongo Kundu)
- Government of Japan** **Master Plan for the Development of Dongo Kundu, Mombasa Special Economic Zone**
Development of Master Plan for the Dongo Kundu, Mombasa Special Economic Zone
- Government of Sweden** **Kenya Municipal Programme (KMP)**
To support the Government of Kenya through strengthening local governance and improving urban service delivery
- Government of Sweden** **Kenya Informal Settlements Improvement Project (KISIP)**
To strengthen institutions and programme management; invest in security of tenure; invest in infrastructure and service delivery; and plan for urban growth
- United Nations Development Programme (UNDP)** **Economic Empowerment Programme**
To enhance and mainstream inclusiveness of the poor and vulnerable in the institutional and policy framework and private sector participation in job-rich and pro-poor growth; and to empower the poor and vulnerable
- World Bank** **Kenya Informal Settlements Improvement Project (KISIP)**
To strengthen institutions and programme management; invest in security of tenure; invest in infrastructure and service delivery; and plan for urban growth
- World Bank** **Project Title: Water and Sanitation Services Improvement Project (WaSSIP)**
Description: the project strives to (a) increase access to reliable, affordable and sustainable water supply and sanitation services; and (b) to improve the water and waste water services
- World Bank** **Water and Sanitation Services Improvement Project (WaSSIP)**
Rehabilitating and extending existing water supply facilities in Coast Water Service Board and new intake works
- World Bank** **Kenya Municipal Programme (KMP)**
To strengthen local governance and improve service delivery

Muranga

- African Development Bank (ADB)** **Water Services Boards Support Project**
To improve water supply and sanitation services in urban, peri-urban and rural communities within the service areas of the Tana Water Services Boards (TWSB)
- African Development Bank (ADB)** **Community Empowerment and Institutional Support Project (CEISP)**
To help empower poor communities to access socio-economic services in order to reduce poverty and to improve the management of local socio-economic development.
- World Bank** **Kenya Urban Water and Sanitation OBA Fund for Low Income Areas**
Project aims to increase the number of people in low income areas with access to improved water supply and sanitation services. In Kambarwa and Miria areas the project aims to supply potable water
- World Bank** **Water and Sanitation Services Improvement Project (WaSSIP)**
The project strives to (a) increase access to reliable, affordable and sustainable water supply and sanitation services; and (b) to improve the water and waste water services
- World Bank** **Water and Sanitation Services Improvement Project (WaSSIP)**
Rehabilitating and extending existing water supply facilities in Athi Water Service Board and new intake works
- World Bank** **Northern Corridor Transport Improvement Project (NCTIP)**
Rehabilitation of Northern corridor and emergency restoration of damaged public assets in order to enhance efficiency and effectiveness of Kenya's transport sector
- World Bank** **Energy Sector Recovery Project (ESRP)**
Strengthening the energy sector regulator capacity to carry out an electricity tariff study and set power tariffs and prepare the secondary legislation

Nairobi

- African Development Bank (ADB)** **Nairobi-Thika Highway Improvement Project**
Nairobi-Thika Highway improvement works and construction of dual carriageway from Nairobi to Thika
- African Development Bank (ADB)** **Nairobi Metropolitan Studies**
Nairobi Metropolitan Studies
- African Development Bank (ADB)** **Nairobi River Basin Rehabilitation and Restoration Programme - Sewerage Improvement Project**
The components of the project are waste infrastructure - covering rehabilitation and expansion of the sewerage network and treatment - sanitation, hygiene and social environment
- African Development Bank (ADB)** **Jomo Kenyatta Airport Interim Terminal Construction Project (Thika Road Project/Education III Project)**
Project entails utilization of the loan savings from the Nairobi-Thika Highway Improvement Project and Education III project to assist GoK to restore the levels of service at JKA which had deteriorated following a fire accident
- African Development Bank (ADB)** **Emergency Assistance to Address the damages and losses caused by the August 2013 inferno at JKA**
Assistance to be provided to JKA by improving the security checking system
- African Development Bank (ADB)** **Water Services Boards Support Project**
To improve water supply and sanitation services in urban, peri-urban and rural communities within the service areas of the Athi Water Services Boards (AWSB)
- African Development Bank (ADB)** **Community Empowerment and Institutional Support Project (CEISP)**
To help empower poor communities to access socio-economic services in order to reduce poverty and to improve the management of local socio-economic development.
- African Development Bank (ADB)** **Nairobi Outer Ring Road Improvement Project**
Road construction civil works which involves improvement of the existing 5km single carriageway road to a 2-lane dual carriageway complete with service roads, pedestrian foot-over-bridges and walkways
- Arab Bank for Economic Development in Africa (BADEA)** **Kenya's National Hospital Upgrading Project**
Construction of new pediatric centre
- Danish International Development Agency (DANIDA)** **Promoting Urban Community Participation in Environmental Management**
Promoting Urban Community Participation in Environmental Management
- European Development Fund (EDF)** **Nairobi Missing Links Road and Non-motorized Transport Facilities**
Project contributes to implementation of the Japan International Cooperation Agency's (JICA) financed "Study for the Master Plan for Urban Transport in Nairobi"
- European Development Fund (EDF)** **Nairobi Informal Settlement Water and Sanitation Improvement Programme (Nicsip)**
Construction of 4km of sewer systems in informal settlements in Nairobi
- European Development Fund (EDF)** **Maternal and child health**
Maternal and child health, family planning and nutrition
- European Development Fund (EDF)** **Wezecha Jamii Programme**
Promoting livelihoods and inclusion of vulnerable women domestic workers and women small scale traders in Kawangware, Korogocho, Kibera and Mukuru slums
- European Investment Bank (EIB)** **Mombasa-Nairobi Transmission Line**
The project consists of the construction of a 482km 400kv double-circuit transmission line between Rabai (Mombasa) and Embakasi (Nairobi), and the construction of the extension of the Embakasi substations
- Government of Canada** **Education for children with disabilities**
Education for children with disabilities in Kenya targeting six primary schools in urban slums of Dandora and Kibera
- Government of China** **Construction of Nairobi Eastern and Northern Bypasses Road Project**
Site clearance and top soil removal. Aimed at opening the outskirts of Nairobi
- Government of China** **Nairobi-Thika Highway Improvement Project, & Mbsp; Lot 3: Kenyatta University - Thika**
Improvement of Thika Road to a four lane carriageway to decongest Thika Road
- Government of China** **Construction of Nairobi Southern bypass**
Road decongestion
- Government of China** **Nairobi 120kv and 66kv network upgrade and reinforcement**
Construction of Nairobi City Centre EHV Network upgrade and reinforcement project and Nairobi 66kv Network upgrade and reinforcement (design, construction and erection of 22kV underground cable from Embakasi)
- Government of France** **Complementary Funding for Nairobi Water and Sewerage (WuSepa)**
The project is meant to support the implementation of components as follows:
(i) support the rehabilitation of the damaged Susumua Dam spillway and support the implementation of the dam's safety monitoring instruments
(ii) support the rehabilitation of both Ngeturu and Sasumua water production plants including rehabilitation of the associated raw water mains
(iii) support the rehabilitation of Ngeturu-Githi-Kabete-Karen water transmission pipelines
(iv) undertake the rehabilitation of Nairobi sewers and the Dandora waste water treatment plant
(v) support the development and the improvement of water supply and sanitation services in Nairobi's informal settlements
(vi) undertake the preparation of the Nairobi water supply master plan in line WITH Vision 2030
(vii) support activities towards the reduction of Non-Reverse Water (NRW) in Nairobi
- Government of France** **Water and Sanitation**
Finances the upgrading and extension of drinking water supply and sanitation facilities by building the management and planning capacities of regional water agencies and local public water companies.
- Government of France** **Nairobi City Public Transport Lane Project**
Providing support for resolving the major congestion problem in Nairobi City, with a reserved lane public transport project
- Government of Finland** **Juja Road Electricity Power Distribution Substation Project**
Renewal of the Juja Road electricity transmission substation
- Government of Japan** **Construction of Nairobi Western Ring Roads (Detailed design)**
Construction of the Western Ring Roads in order to decongest the roads
- Government of Japan** **Dualing of Nairobi - Dagoretti Corner Road phase I**
Dualing of Nairobi - Dagoretti Corner Road in order to decongest road

Nairobi

- Government of Italy** **Korogochi Slum Upgrading**
Slum upgrading
- German Development Bank KfW** **Nairobi Water Distribution Project**
To assure supply to under-served areas in Nairobi city
- Government of Sweden** **Kenya Municipal Programme (KMP)**
To support the Government of Kenya through strengthening local governance and improving urban service delivery
- Government of Sweden** **Kenya Informal Settlements Improvement Project (KISIP)**
To strengthen institutions and programme management; invest in security of tenure; invest in infrastructure and service delivery; and plan for urban growth
- Government of Sweden** **Nairobi Metropolitan Services Improvement Programme (NAMSIP)**
The project aims to strengthen urban services and infrastructure in the Nairobi Metropolitan Region
- Organization of Petroleum Exporting Countries (OPEC)** **Kenya's National Hospital Upgrading Project**
Construction of new pediatric centre
- United Nations Development Programme (UNDP)** **Economic Empowerment Programme**
To enhance and mainstream inclusiveness of the poor and vulnerable in the institutional and policy framework and private sector participation in job-rich and pro-poor growth; and to empower the poor and vulnerable
- World Bank** **Kenya Informal Settlements Improvement Project (KISIP)**
To strengthen institutions and programme management; invest in security of tenure; invest in infrastructure and service delivery; and plan for urban growth
- World Bank** **Fire Fighting Equipment for Nairobi Metropolitan**
Fringing equipment consisting of trucks, land rovers and machinery in order to reduce destruction of life/ property resulting from fire outbreaks
- World Bank** **Nairobi Metropolitan Services Improvement Project (NAMSIP)**
The project aims to strengthen urban services and infrastructure in the Nairobi Metropolitan Region
- World Bank** **Water and Sanitation Services Improvement Project (WaSSIP)**
The project strives to (a) increase access to reliable, affordable and sustainable water supply and sanitation services; and (b) to improve the water and waste water services
- World Bank** **Water and Sanitation Services Improvement Project (WaSSIP)**
Rehabilitating and extending existing water supply facilities in Athi Water Service Board and new intake works
- World Bank** **Nairobi Sanitation Project**
N/A

Nakuru

- African Development Bank (ADB)** **Power Transmission System Improvement Programme**
Construction of 68km Oltaria-Narok line
- African Development Bank (ADB)** **Power Transmission System Improvement Programme**
Extension of sub-station
- African Development Bank (ADB)** **Water Services Boards Support Project**
To improve water supply and sanitation services in urban, peri-urban and rural communities within the service areas of the Lake Victoria South Water Services Boards (LWSWSB)
- African Development Bank (ADB)** **Community Empowerment and Institutional Support Project (CEISP)**
To help empower poor communities to access socio-economic services in order to reduce poverty and to improve the management of local socio-economic development.
- African Development Bank (ADB)** **Water Supply and Sanitation**
To support the improvement of water supply and sanitation service in urban, peri-urban and rural communities, under the Rift Valley Water Services Board's jurisdiction.
- European Investment Bank (EIB)** **Menengai 400W Phase I Geothermal Development Project**
Exploring, drilling and investor engagement to meet Kenya's rapidly increasing demand for power while diversifying increasing sources of power supply by developing the country's geothermal potential
- European Investment Bank (EIB)** **Oltaria I & IV Geothermal Extension Project**
Oltaria I & IV Geothermal Extension Project
- European Investment Bank (EIB)** **Nairobi Ring Energy Project**
Meant to provide an additional transmission capacity for extraction of power from the new Geothermal power plant at Oltaria
- Government of China** **Oltaria IV Geothermal Field Production Drilling Project**
Geothermal well drilling to add 140MW into the national grid
- Government of France** **Geothermal Oltaria I Unit 4 and 5 and Oltaria IV Power Plants**
One of the projects in the greater Oltaria Geothermal Area (GOA) located in the Rift Valley, near Lake Naivasha in the Hell's Gate National Park
- Government of France** **Support of the development of Geothermal/Renewable Energy**
Purchase of rigs for drilling geothermal wells, training of GDC technical staff and establishment of a power generation and transmission master plan
- Government of France** **Upgrading of the Maai Mahu-Narok road**
Reconstruction of the Maai Mahu-Narok road (B3) on 89.3km and consulting services
- Government of France** **Solid Waste Management Improvement**
N/A
- Government of Japan** **Oltaria Lesos Kizumu Power Lines Construction Project**
Construction works for transmission lines, expansion of substations and consulting services
- Government of Spain** **Luyangapat-Suswa Line**
430km 400kv double circuit line and 400/220kV substations at Luyangapat and Suswa to evacuate 300MW from Lake Turkana Wind Plant
- Government of Sweden** **Kenya Municipal Programme (KMP)**
To support the Government of Kenya through strengthening local governance and improving urban service delivery
- Government of Sweden** **Kenya Informal Settlements Improvement Project (KISIP)**
To strengthen institutions and programme management; invest in security of tenure; invest in infrastructure and service delivery; and plan for urban growth
- World Bank** **Kenya Municipal Program (KMP)**
To strengthen local governance and improve service delivery
- World Bank** **International Development Association (IDA - WORLD BANK)** **Kenya Informal Settlements Improvement Project (KISIP)**
To strengthen institutions and programme management; invest in security of tenure; invest in infrastructure and service delivery; and plan for urban growth
- World Bank** **Project Title: Kenya Electricity Expansion Project (KEP)**
To enhance geothermal generation in order to increase the capacity, efficiency and quality of electricity supply; and expand access to electricity in urban, peri-urban and rural areas
- World Bank** **Lake Victoria Environmental Management Plan (LWEMP)**
To contribute to the EAC's vision and strategy framework for management and development of the Lake Victoria Basin
- World Bank** **Northern Corridor Transport Improvement Project (NCTIP)**
Rehabilitation of Northern corridor and emergency restoration of damaged public assets in order to enhance efficiency and effectiveness of Kenya's transport sector
- World Bank** **Energy Sector Recovery Project (ESRP)**
Strengthening the energy sector regulator capacity to carry out an electricity tariff study and set power tariffs and prepare the secondary legislation

Nakuru

- African Development Bank (ADB)** **Water Services Boards Support Project**
To improve water supply and sanitation services in urban, peri-urban and rural communities within the service areas of the Lake Victoria South Water Services Boards (LWSWSB)
- African Development Bank (ADB)** **Community Empowerment and Institutional Support Project (CEISP)**
To help empower poor communities to access socio-economic services in order to reduce poverty and to improve the management of local socio-economic development.
- World Bank** **Lake Victoria Environmental Management Plan (LWEMP)**
To contribute to the EAC's vision and strategy framework for management and development of the Lake Victoria Basin
- World Bank** **Water and Sanitation Services Improvement Project (WaSSIP)**
The project strives to (a) increase access to reliable, affordable and sustainable water supply and sanitation services; and (b) to improve the water and waste water services
- World Bank** **Water and Sanitation Services Improvement Project (WaSSIP)**
Rehabilitating and extending existing water supply facilities in Lake Victoria North Water Service Board (LNWSB) and new intake works

Narok

- African Development Bank (ADB)** **Power Transmission System Improvement Programme**
Construction of 68km Oltaria-Narok line and construction of a new sub-station at Narok
- African Development Bank (ADB)** **Water Services Boards Support Project**
To improve water supply and sanitation services in urban, peri-urban and rural communities within the service areas of the Lake Victoria South Water Services Boards (LWSWSB)
- African Development Bank (ADB)** **Community Empowerment and Institutional Support Project (CEISP)**
To help empower poor communities to access socio-economic services in order to reduce poverty and to improve the management of local socio-economic development.
- Government of Iceland** **Norvic Development Fund (NDF)**
Suswa power generation project
- Government of Japan** **Narok Water Project**
Development of detailed design for Narok County water supply
- Government of Japan** **Oltaria Lesos Kizumu Power Lines Construction Project**
Construction works for transmission lines, expansion of substations and consulting services
- Government of Spain** **Luyangapat-Suswa Line**
400/220kV substation at Suswa to evacuate 300MW from Lake Turkana Wind Plant
- World Bank** **Northern Corridor Transport Improvement Project (NCTIP)**
Rehabilitation of Northern corridor and emergency restoration of damaged public assets in order to enhance efficiency and effectiveness of Kenya's transport sector
- World Bank** **Water and Sanitation Services Improvement Project (WaSSIP)**
The project strives to (a) increase access to reliable, affordable and sustainable water supply and sanitation services; and (b) to improve the water and waste water services

Nyamira

- African Development Bank (ADB)** **Water Services Boards Support Project**
To improve water supply and sanitation services in urban, peri-urban and rural communities within the service areas of the Lake Victoria South Water Services Boards (LWSWSB)
- African Development Bank (ADB)** **Community Empowerment and Institutional Support Project (CEISP)**
To help empower poor communities to access socio-economic services in order to reduce poverty and to improve the management of local socio-economic development.
- Government of Netherlands** **Kisii Water Supply and Sanitation Project (Bunyumu Dam)**
Building of Bunyumu Dam to increase water supply in Kisii and Nyamira Counties
- Government of Sweden** **Lake Victoria Environment Management Programme (LWEMP)**
Aimed at generating information to guide policy decisions on sustainable management of the Lake Victoria Basin (LVB). It's an East African Community (EAC) project under implementation in the five countries that share the Lake Victoria Basin: Burundi, Kenya, Rwanda, Tanzania and Uganda.
- World Bank** **Water and Sanitation Services Improvement Project (WaSSIP)**
The project strives to (a) increase access to reliable, affordable and sustainable water supply and sanitation services; and (b) to improve the water and waste water services

Nyandarua

- African Development Bank (ADB)** **Community Empowerment and Institutional Support Project (CEISP)**
To help empower poor communities to access socio-economic services in order to reduce poverty and to improve the management of local socio-economic development.

Nyeri

- African Development Bank (ADB)** **Small Towns and Rural Water Supply and Sanitation Project**
Support for institutional development, water supply and waste water infrastructure
- African Development Bank (ADB)** **Power Transmission System Improvement Programme**
Construction of 23km Ishara-Kieni line, extension of sub-station at Ishara and construction of a new sub-station at Kieni
- African Development Bank (ADB)** **Water Services Boards Support Project**
To improve water supply and sanitation services in urban, peri-urban and rural communities within the service areas of the Tana Water Services Boards (TWSB)
- African Development Bank (ADB)** **Community Empowerment and Institutional Support Project (CEISP)**
To help empower poor communities to access socio-economic services in order to reduce poverty and to improve the management of local socio-economic development.
- German Development Bank KfW** **Kenya Municipal Water Project**
To expand water treatment plants and water intake, and rehabilitate sewerage treatment works
- Government of Canada** **Maternal Access and Infant Survival for Health Advancement**
To reduce maternal mortality rates by increasing access to quality health care during pregnancy and delivery in Nyeri and Migori regions
- Government of Sweden** **Kenya Municipal Programme (KMP)**
To support the Government of Kenya through strengthening local governance and improving urban service delivery
- Government of Sweden** **Kenya Informal Settlements Improvement Project (KISIP)**
To strengthen institutions and programme management; invest in security of tenure; invest in infrastructure and service delivery; and plan for urban growth
- World Bank** **Kenya Informal Settlements Improvement Project (KISIP)**
To strengthen institutions and programme management; invest in security of tenure; invest in infrastructure and service delivery; and plan for urban growth
- World Bank** **Kenya Urban Water and Sanitation OBA Fund for Low Income Areas**
Project aims to increase the number of people in low income areas with access to improved water supply and sanitation services. In Mathira Constituency the project aims to improve water supply replacing the current duplicated system and expansion to new areas without services

Samburu

- African Development Bank (ADB)** **Community Empowerment and Institutional Support Project (CEISP)**
To help empower poor communities to access socio-economic services in order to reduce poverty and to improve the management of local socio-economic development.
- African Development Bank (ADB)** **Water Services Boards Support Project**
To improve water supply and sanitation services in urban, peri-urban and rural communities within the service areas of the Northern Water Services Boards (NWSB)
- Government of Germany (KfW GERMANY)** **Water Services Trust Fund Phase 2 & Nbsp**
The project was developed to ensure water and sanitation availability and access to the poor in the slums in both urban and rural areas
- Government of Germany (KfW GERMANY)** **Water Sector Development Support (Water Supply and Sanitation for the Urban Poor Programme)**
Developed to ensure water supply and sanitation availability and access to the poor in urban areas
- World Bank** **Energy Sector Recovery Project (ESRP)**
Strengthening the energy sector regulator capacity to carry out an electricity tariff study and set power tariffs and prepare the secondary legislation
- World Bank** **Northern Corridor Transport Improvement Project (NCTIP)**
Rehabilitation of Northern corridor and emergency restoration of damaged public assets in order to enhance efficiency and effectiveness of Kenya's transport sector
- World Bank** **Kenya Health Sector Support Project (KHSPP)**
Setting up an effective and transparent implementation of KPH and strengthening the governance and stewardship capacity of MOWS and MOWPS at the national, provincial and district levels

Siaya

- African Development Bank (ADB)** **Small Towns and Rural Water Supply and Sanitation Project**
Support for institutional development, water supply and waste water infrastructure
- African Development Bank (ADB)** **Water Services Boards Support Project**
To improve water supply and sanitation services in urban, peri-urban and rural communities within the service areas of the Lake Victoria South Water Services Boards (LWSWSB)
- African Development Bank (ADB)** **Community Empowerment and Institutional Support Project (CEISP)**
To help empower poor communities to access socio-economic services in order to reduce poverty and to improve the management of local socio-economic development.
- Government of Sweden** **Lake Victoria Environment Management Programme (LWEMP)**
Aimed at generating information to guide policy decisions on sustainable management of the Lake Victoria Basin (LVB). It's an East African Community (EAC) project under implementation in the five countries that share the Lake Victoria Basin: Burundi, Kenya, Rwanda, Tanzania and Uganda.
- World Bank** **Western Kenya Community Driven Development and Flood Mitigation Project**
The project comprises of community driven development. This will support community prioritized investment projects to improve livelihoods and build demand and capacity for local level development
- World Bank** **Water and Sanitation Services Improvement Project (WaSSIP)**
The project strives to (a) increase access to reliable, affordable and sustainable water supply and sanitation services; and (b) to improve the water and waste water services

Taita Taveta

- African Development Bank (ADB)** **Arunsha-Holli/Taveta-Voi Road Project**
To develop the road corridor between Arunsha in Tanzania and Voi and to Mombasa Port in Kenya
- Government of Canada** **Meeting Critical Health Care and Nutritional Needs in Kenya**
To contribute to a reduction in maternal, new born and child morbidity and mortality by using an integrated approach to improve access to health services and nutritional needs of vulnerable populations
- United Kingdom** **East Africa Transit Improvement Programme (EATIP)/ East Africa Trade Facilitation Programme**
Infrastructure development at the Taveta and Busia border posts
- World Bank** **Community Empowerment and Institutional Support Project (CEISP)**
To help empower poor communities to access socio-economic services in order to reduce poverty and to improve the management of local socio-economic development.
- World Bank** **Water and Sanitation Services Improvement Project (WaSSIP)**
Rehabilitating and extending existing water supply facilities in Coast Water Service Board and new intake works
- World Bank** **Water and Sanitation Services Improvement Project (WaSSIP)**
The project strives to (a) increase access to reliable, affordable and sustainable water supply and sanitation services; and (b) to improve the water and waste water services

Tana River

- African Development Bank (ADB)** **Community Empowerment and Institutional Support Project (CEISP)**
To help empower poor communities to access socio-economic services in order to reduce poverty and to improve the management of local socio-economic development.
- Government of China** **Rabai-Malindi-Garsen-Lamu Transmission Line**
320km 220kv, 52/230kv/NO23 MVA substations at Malindi, Garsen and Lamu to connect Lamu Port to the National grid and strengthen supply to the North Coast
- World Bank** **Water and Sanitation Services Improvement Project (WaSSIP)**
The project strives to (a) increase access to reliable, affordable and sustainable water supply and sanitation services; and (b) to improve the water and waste water services
- World Bank** **Water and Sanitation Services Improvement Project (WaSSIP)**
Rehabilitating and extending existing water supply facilities in Coast Water Service Board and new intake works

Tharaka Nithi

- African Development Bank (ADB)** **Water Services Boards Support Project**
To improve water supply and sanitation services in urban, peri-urban and rural communities within the service areas of the Tana Water Services Boards (TWSB)
- African Development Bank (ADB)** **Community Empowerment and Institutional Support Project (CEISP)**
To help empower poor communities to access socio-economic services in order to reduce poverty and to improve the management of local socio-economic development.
- United Nations International Children Education Fund (UNICEF)** **East Africa Public Health Laboratory Network Project (EAPLHP)**
Rehabilitation, expansion and construction of 5 satellite laboratories to expand diagnostic services and develop capacity of laboratory personnel carrying out operational research and facilitate knowledge sharing

Trans Nzoia

- African Development Bank (ADB)** **Community Empowerment and Institutional Support Project (CEISP) - Kang'alotha Ward**
To help empower poor communities to access socio-economic services in order to reduce poverty and to improve the management of local socio-economic development.
- World Bank** **Water and Sanitation Services Improvement Project (WaSSIP)**
Rehabilitating and extending existing water supply facilities in Lake Victoria North Water Service Board (LNWSB) and new intake works

Turkana

- African Development Bank (ADB)** **NOKEI (Girls Scholarships)**
Reduce the gender disparity especially in ASAL districts. Increase attendance retention and transition of girls especially in the ASAL areas
- African Development Bank Group** **Lake Turkana Wind Farm**
Will add 300mw to power generation capacity in Kenya. It will be the largest wind power project in Africa
- African Development Bank (ADB)** **Community Empowerment and Institutional Support Project (CEISP)**
To help empower poor communities to access socio-economic services in order to reduce poverty and to improve the management of local socio-economic development.
- Government of Canada** **Improving Access to Quality Education**
To increase the number of school going children, especially girls, and provide them with a better education
- United Nations Development Programme (UNDP)** **Extractive Industries for Sustainable Development in Kenya**
Governance of the extractive sectors of Kenya's economy in more participatory, equitable and sustainable ways to ensure that they contribute to peace and sustainable human development.
- United Nations Development Programme (UNDP)** **Nairobi Ring Energy Project**
Meant to provide an additional transmission capacity for extraction of power from the Lake Turkana Wind Power Plant

Uasin Gishu

- African Development Bank (ADB)** **Timberoa-Eldoret Road Project**
Rehabilitation of 73km of the road to bituminous standard
- African Development Bank (ADB)** **Community Empowerment and Institutional Support Project (CEISP)**
To help empower poor communities to access socio-economic services in order to reduce poverty and to improve the management of local socio-economic development.
- African Development Bank (ADB)** **Power Transmission System Improvement Programme**
Construction of 43km of 132kV lines, the extension of 6 sub-stations and the construction of 8 new sub-stations that will contribute to the capacity of Kenya to increase the number of new connections by 200,000 annually
- European Development Fund (EDF)** **Northern Corridor Rehabilitation Programme - Phase III (Eldoret-Weyupe-Malaba)**
Rehabilitation of Eldoret-Weyupe (59km) and Weyupe-Malaba Road (61km) projects. Widening the shoulders from the current 1.5m to 2.0m. reconstruction of seriously deteriorated sections
- European Investment Bank (EIB)** **Moi Teaching And Referral Hospital : Academic Model Providing Access To Healthcare (AMPATH)**
Integrated project that coordinates a comprehensive HIV and Tuberculosis care in Western Kenya and providing support in the delivery of primary care at the community and facility levels including maternal child health, family planning and reproductive health
- Government of Sweden** **Kenya Municipal Programme (KMP)**
To support the Government of Kenya through strengthening local governance and improving urban service delivery
- Government of Sweden** **Kenya Informal Settlements Improvement Project (KISIP)**
To strengthen institutions and programme management; invest in security of tenure; invest in infrastructure and service delivery; and plan for urban growth
- World Bank** **Kenya Informal Settlements Improvement Project (KISIP)**
To strengthen institutions and programme management; invest in security of tenure; invest in infrastructure and service delivery; and plan for urban growth
- World Bank** **Water and Sanitation Services Improvement Project (WaSSIP)**
Rehabilitating and extending existing water supply facilities in Lake Victoria North Water Service Board (LNWSB) and new intake works

Vihiga

- African Development Bank (ADB)** **Community Empowerment and Institutional Support Project (CEISP)**
To help empower poor communities to access socio-economic services in order to reduce poverty and to improve the management of local socio-economic development.
- Government of Sweden** **Lake Victoria Environment Management Programme (LWEMP)**
Aimed at generating information to guide policy decisions on sustainable management of the Lake Victoria Basin (LVB). It's an East African Community (EAC) project under implementation in the five countries that share the Lake Victoria Basin: Burundi, Kenya, Rwanda, Tanzania and Uganda.
- World Bank** **Water and Sanitation Services Improvement Project (WaSSIP)**
Rehabilitating and extending existing water supply facilities in Lake Victoria North Water Service Board (LNWSB) and new intake works
- World Bank** **Western Kenya Community Driven Development and Flood Mitigation Project**
The project comprises of community driven development. This will support community prioritized investment projects to improve livelihoods and build demand and capacity for local level development
- World Bank** **Energy Sector Recovery Project (ESRP)**
Strengthening the energy sector regulator capacity to carry out an electricity tariff study and set power tariffs and prepare the secondary legislation

Wajir

- African Development Bank (ADB)** **NOKEI (Girls Scholarships)**
Reduce the gender disparity especially in ASAL districts. Increase attendance retention and transition of girls especially in the ASAL areas
- African Development Bank (ADB)** **Water Services Boards Support Project**
To improve water supply and sanitation services in urban, peri-urban and rural communities within the service areas of the Northern Water Services Boards (NWSB)
- State of Kuwait** **Wajir District Hospital Construction**
Construction and extension of maternity unit
- United Kingdom** **Wajir Integrated Development Project**
Water supply and sewerage system designated for Wajir Town, while water supply to be done to the towns along the river
- United Nations International Children Education Fund (UNICEF)** **East Africa Public Health Laboratory Network Project (EAPLHP)**
Rehabilitation, expansion and construction of 5 satellite laboratories to expand diagnostic services and develop capacity of laboratory personnel carrying out operational research and facilitate knowledge sharing
- World Bank** **Community Empowerment and Institutional Support Project (CEISP)**
To help empower poor communities to access socio-economic services in order to reduce poverty and to improve the management of local socio-economic development.

West Pokot

- African Development Bank (ADB)** **Additional Water Works**
Additional works related to previous unfinished connectors and other works
- African Development Bank (ADB)** **Community Empowerment and Institutional Support Project (CEISP)**
To help empower poor communities to access socio-economic services in order to reduce poverty and to improve the management of local socio-economic development.
- Government of Italy** **Scholarships For Students**
To extend scholarships to needy students
- Government of Italy** **Capacity Building**
To build the capacity of instructors

Development Partners Urban Initiatives by Sector

URBAN DEVELOPMENT

Total: sh5.7 billion

EUROPEAN DEVELOPMENT FUND (EDF)

Nairobi Informal Settlement Water and Sanitation Improvement Programme (Nwisap)

Construction of 4km of sewer systems in informal settlements in Nairobi
Implementing Agency: Ministry of Devolution and Planning
Project duration: January 2008 – June 2012
Total: Sh538 million

GOVERNMENT OF FRANCE

Kisumu Urban Project (KUP)

To enhance the living conditions of Kisumu's population by introducing a comprehensive urban programme. The project will finance needed public infrastructure and facilities, slum upgrading and local capacity
Implementing Agency: Ministry of Devolution and Planning
Project duration: May 2010 – April 2014
Total: Sh1 billion

GOVERNMENT OF ITALY

KiB Settlement Infrastructure Improvement Programme

To improve infrastructure in the slum areas of KiB
Implementing Agency: Ministry of Devolution and Planning
Project duration: July 2012 – June 2018
Total: Sh60 million

GOVERNMENT OF ITALY

Korogochi Slum Upgrading

Slum upgrading
Implementing Agency: Ministry of Land Housing and Urban Development
Project duration: January 2009 – December 2015
Total: Sh340 million

GOVERNMENT OF ITALY

Slum Upgrading in Kilifi

To upgrade the infrastructure of slums in Kilifi
Implementing Agency: Ministry of Devolution and Planning
Project duration: Started on January 2013
Total: Sh60 million

GOVERNMENT OF SWEDEN

Formulation of National Urban Development Policy

Preparation of a National Urban Development Policy (NUDP) in order to improve urban development and planning
Implementing Agency: Ministry of Land Housing and Urban Development
Project duration: January 2010 – February 2016
Total: Sh13,998 billion

GOVERNMENT OF SWEDEN

Land Reform Support Programme

Land reform process as a catalyst for poverty reduction through improved access to land, security of tenure and improvement of livelihoods in informal settlements
Implementing Agency: Ministry of Land Housing and Urban Development
Project duration: December 2005 – January 2016
Total: Sh1 billion

WORLD BANK

Western Kenya Community Driven Development and Flood Mitigation Project

The project comprises of community driven development. This will support community prioritized investment projects to improve livelihoods and build demand and capacity for local level development
Implementing Agency: Ministry of Interior and Coordination of National Government, Ministry of Devolution and Planning
Project duration: June 2007 – August 2015
Total: Sh5.7 billion

WORLD BANK

Nairobi Metropolitan Services Improvement Project (NAMSIP)

The project aims to strengthen urban services and infrastructure in the Nairobi Metropolitan Region
Implementing Agency: Ministry of Land Housing and Urban Development
Project duration: May 2012 – June 2017
Total: Sh24.4 billion

WORLD BANK

Kenya Municipal Program (KMP)

To strengthen local governance and improve service delivery in selected municipalities
Implementing Agency: Ministry of Devolution and Planning
Project duration: April 2010 – May 2015
Total: Sh7.8 billion

WORLD BANK

Kenya Informal Settlements Improvement Project (KISIP)

To strengthen institutions and programme management; invest in security of tenure; invest in infrastructure and service delivery; and plan for urban growth
Implementing Agency: Ministry of Land Housing and Urban Development
Project duration: Approximately 6 years
Total: Sh8.3 billion

WORLD BANK

Fire Fighting Equipment for Nairobi Metropolitan

Procurement of firefighting equipment consisting of trucks, land rovers and machinery in order to reduce destruction of life property resulting from fire outbreaks
Implementing Agency: Ministry of Land Housing and Urban Development
Project duration: July 2014 – June 2015
Total: Sh612 million

UN HABITAT

Kenya Slum Upgrading Project (KENSUP)

Aimed at improving the livelihoods of people living and working in slums and informal settlement in the urban areas of Kenya through the provision of security of tenure and physical and social infrastructure as well as providing opportunities for housing improvement and income generation
Implementing Agency: Ministry of Land Housing and Urban Development
Total: Sh884 billion

GOVERNMENT OF SWEDEN

Kenya Municipal Programme (KMP)

To support the Government of Kenya through strengthening local governance and improving urban service delivery
Implementing Agency: Ministry of Devolution and Planning
Project duration: April 2010 – May 2015
Total: Sh7.8 billion

GOVERNMENT OF SWEDEN

Kenya Informal Settlements Improvement Project (KISIP)

To strengthen institutions and programme management; invest in security of tenure; invest in infrastructure and service delivery; and plan for urban growth
Implementing Agency: Ministry of Land Housing and Urban Development
Project duration: Approx. 6 years

GOVERNMENT OF SWEDEN

National Urban Development Policy (NUDP)

Formulation of National Urban Development Policy (NUDP) in order to improve urban development and planning
Implementing Agency: Ministry of Land Housing and Urban Development
Project duration: January 2010 – February 2016
Total: Sh13,998 billion

GOVERNMENT OF SWEDEN

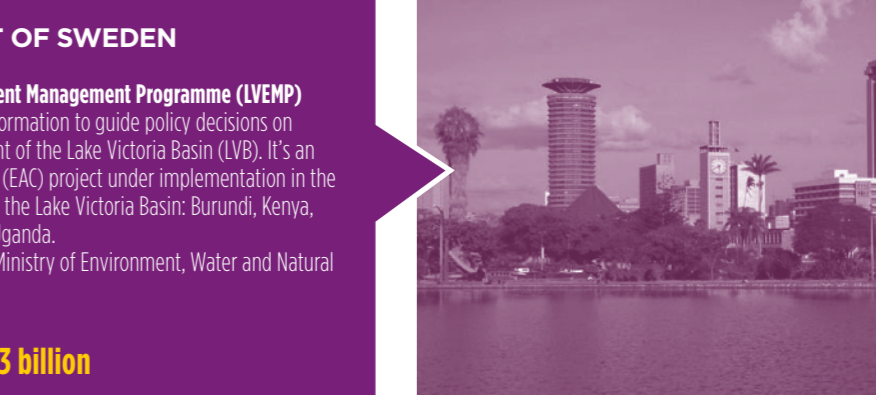

Lake Victoria Initiative (LVI)

To support the improvement of a sustainable development framework in the Lake Victoria Region. This is an East African Community (EAC) project under implementation in the five countries that share the Lake Victoria Basin: Burundi, Kenya, Rwanda, Tanzania and Uganda.
Implementing Agency: Ministry of Environment, Water and Natural Resources
Project duration: Approximately 20 years
Total: N/A

GOVERNMENT OF SWEDEN

Lake Victoria Environment Management Programme (LIVEMP)

Aimed at generating information to guide policy decisions on sustainable management of the Lake Victoria Basin (LVB). It's an East African Community (EAC) project under implementation in the five countries that share the Lake Victoria Basin: Burundi, Kenya, Rwanda, Tanzania and Uganda.
Implementing Agency: Ministry of Environment, Water and Natural Resources
Project duration: N/A
Total: At least Sh3 billion

GENERAL ECONOMIC AND COMMERCIAL AFFAIRS

Total: sh5.7 billion

AFRICAN DEVELOPMENT BANK (AFDB)

Community Empowerment and Institutional Support Project (CEISP)

Comprises of the following two components:
(a) capacity building which aims at developing the capacity of communities and other local stakeholders to make better, more focused and equitable use of resources made available through devolved funds at the same time the project will support activities which assist in aggregating the voices of women and girls, and to sensitise communities and local stakeholders towards their needs, abilities and potential
(b) strengthening decentralized development planning and finance by facilitating effective people-centred decentralized development planning and management.
Implementing Agency: Ministry of Devolution and Planning
Project duration: January 2010 – June 2016
Total: Sh5.7 billion

EUROPEAN DEVELOPMENT FUND (EDF)

Wezesha Jamii Programme

Promoting livelihoods and inclusion of vulnerable women domestic workers and women small scale traders
Implementing Agency: N/A
Project duration: Project started on May 2015
Total: Sh247.6 million

GOVERNMENT OF JAPAN

Master Plan for the Development of Dongo Kundu, Mombasa Special Economic Zone

Development of a Master Plan for the Dongo Kundu, Mombasa Special Economic Zone
Implementing Agency: Ministry of Industrialization and Enterprise Development
Project duration: November 2013 – August 2018
Total: Sh26 billion

UNITED NATIONS DEVELOPMENT PROGRAMME (UNDP)

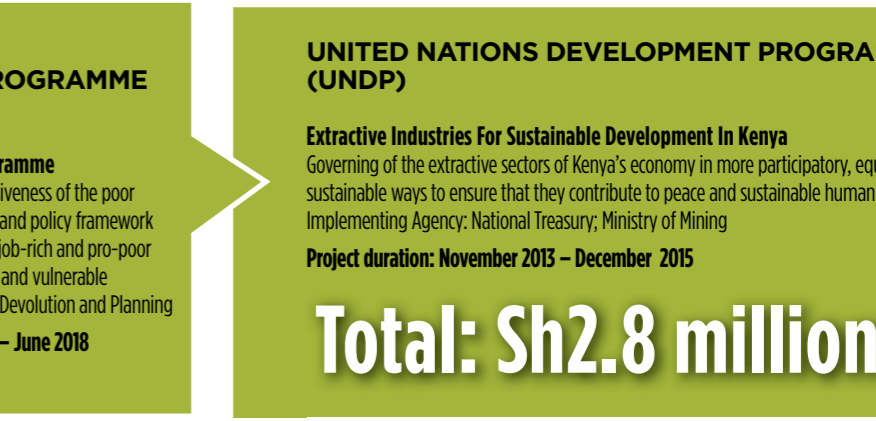

Economic Empowerment Programme

To enhance and mainstream inclusiveness of the poor and vulnerable in the institutional and policy framework and private sector participation in job-rich and pro-poor growth, and to empower the poor and vulnerable
Implementing Agency: Ministry of Devolution and Planning
Project duration: February 2013 – June 2018
Total: Sh130.5 million

UNITED NATIONS DEVELOPMENT PROGRAMME (UNDP)

Extractive Industries For Sustainable Development In Kenya

Governing of the extractive sectors of Kenya's economy in more participatory, equitable and sustainable ways to ensure that they contribute to peace and sustainable human development.
Implementing Agency: National Treasury, Ministry of Mining
Project duration: November 2013 – December 2015
Total: Sh2.8 million

WATER AND SANITATION

Total: Sh3.1 billion

AFRICAN DEVELOPMENT BANK (AFDB)

Nairobi River Basin Rehabilitation and Restoration Programme – Sewerage Improvement Project

The components of the project are waste infrastructure – covering rehabilitation and expansion of the sewerage network and treatment – sanitation, hygiene and social environment
Implementing Agency: Ministry of Environment, Water and Natural Resources
Project duration: June 2011 – January 2016
Total: Sh3.5 billion

AFRICAN DEVELOPMENT BANK (AFDB)

Small Towns and Rural Water Supply and Sanitation Project

Support for institutional development, water supply and waste water infrastructure
Implementing Agency: Ministry of Environment, Water and Natural Resources
Project duration: Approximately 4 1/2 years
Total: Sh9.7 billion

AFRICAN DEVELOPMENT BANK (AFDB)

Water Supply and Sanitation

Support for institutional development, water supply and sanitation service in urban, peri-urban and rural communities, under the Rift Valley Water Services Board's jurisdiction
Implementing Agency: Ministry of Environment, Water and Natural Resources
Project duration: Project started on August 2015
Total: Sh2.8 billion

AFRICAN DEVELOPMENT BANK (AFDB)

Water Services Boards Support Project

To improve water supply and sanitation services in urban, peri-urban and rural communities within the service areas of the Athi, Lake Victoria South, Northern and Tana Water Services Boards
Implementing Agency: Ministry of Environment, Water and Natural Resources
Project duration: Approximately 8 years
Total: Sh2.5 billion

ARAB BANK FOR ECONOMIC DEVELOPMENT IN AFRICA (BADEA)

Garrison Sewerage Project

Sewerage project to cover Garrison and its environs
Implementing Agency: Ministry of Environment, Water and Natural Resources
Project duration: Approximately 10 years
Total: Sh4 million

ARAB BANK FOR ECONOMIC DEVELOPMENT IN AFRICA (BADEA)

Rehabilitation of Water Supply and Sewerage for Olthokoto Town

Rehabilitation of water supply and sanitation infrastructure for Olthokoto Town and its environs
Implementing Agency: Ministry of Environment, Water and Natural Resources
Project duration: May 2013 – September 2017
Total: Sh167.9 million

DANISH INTERNATIONAL DEVELOPMENT AGENCY (DANIDA)

Mombasa Integrated Solid Waste Management Project

Funding undertaking of the study
Implementing Agency: Ministry of Environment, Water and Natural Resources
Project duration: N/A
Total: Sh18.1 million

GOVERNMENT OF FRANCE

Complementary Funding for Nairobi Water and Sewerage (Nwsepij)

The project is meant to support the implementation of components as follows:
(i) support the rehabilitation of the damaged Sasumua Dam spillway and support the implementation of the dam's safety monitoring instruments
(ii) support the rehabilitation of both Ngethu and Sasumua water production plants including rehabilitation of the associated raw water mains
(iii) support the rehabilitation of Ngethu-Gigiri-Kabele-Karen water transmission pipelines
(iv) undertake the rehabilitation of Nairobi sewers and the Dandora waste water treatment plant
(v) support the development and the improvement of water supply and sanitation services in Nairobi's informal settlements
(vi) undertake the preparation of the Nairobi water supply master plan in line WITH Vision 2030
Project duration: project was planned to start on January 2009 – April 2015
Total: Sh3.1 billion

GOVERNMENT OF FRANCE

Coast Water and Sanitation Programme

The project is meant to supply safe and clean water to the City of Mombasa and its environs through expansion and rehabilitation of water supply and sewerage systems
Implementing Agency: Ministry of Environment, Water and Natural Resources
Project duration: project started on December 2008 – July 2015
Total: Sh900 million

EUROPEAN DEVELOPMENT FUND (EDF)

Nairobi Informal Settlement Water and Sanitation Construction Programme (Nwisap)

Construction of 4km of sewer lines in informal settlements, construction of 5.8km waterlines in informal settlements and construction of 34 abatement blocks and 44 water kiosks
Implementing Agency: Ministry of Environment, Water and Natural Resources
Project duration: January 2008 – December 2013
Total: Sh538.3 million

EUROPEAN DEVELOPMENT FUND (EDF)

Improving Access to Water Supply and Basic Sanitation for the Urban Poor

The project aims to improve access to water supply and basic sanitation for the urban poor
Implementing Agency: Ministry of Environment, Water and Natural Resources
Project duration: Approximately 6 3/4 years
Total: N/A

DANISH INTERNATIONAL DEVELOPMENT AGENCY (DANIDA)

Promoting Urban Community Participation in Environmental Management

Promoting Urban Community Participation in Environmental Management
Implementing Agency: Ministry of Environment, Water and Natural Resources
Project duration: project was approved on December 9th 2008
Total: Sh6.3 million

GOVERNMENT OF GERMANY (KfW GERMANY)

Solid Waste Management Improvement Project

Implementing Agency: Ministry of Environment, Water and Natural Resources
Project duration: N/A
Total: N/A

GOVERNMENT OF GERMANY (KfW GERMANY)

Water and Sanitation

Finances the upgrading and extension of drinking water supply and sanitation facilities by building the management and planning capacities of regional water agencies and local public water companies.
Implementing Agency: Ministry of Environment, Water and Natural Resources
Project duration: 2012-2015
Total: N/A

GOVERNMENT OF GERMANY (KfW GERMANY)

Water Sector Development Support (Water Supply and Sanitation for the Urban Poor Programme)

Developed to ensure water supply and sanitation availability and access to the poor in urban areas
Implementing Agency: Ministry of Environment, Water and Natural Resources
Project duration: project was started on January 2009 – May 2015
Total: Sh1.3 billion

GOVERNMENT OF GERMANY (KfW GERMANY)

Development of Water and Sanitation Sector (Lake Victoria South)

To supply water to Kericho and Kisii to meet the demand for clean and safe water
Implementing Agency: Ministry of Environment, Water and Natural Resources
Project duration: January 2012 – January 2016
Total: Sh3.6 billion

GOVERNMENT OF GERMANY (KfW GERMANY)

Kenya Municipal Water Project

To expand water treatment plants and water intake, and rehabilitate sewerage treatment works
Implementing Agency: Ministry of Environment, Water and Natural Resources
Project duration: N/A
Total: Sh1.1 billion

GOVERNMENT OF GERMANY (KfW GERMANY)

Nairobi Water Distribution Project

To assure supply to under-served areas in Nairobi City
Implementing Agency: Ministry of Environment, Water and Natural Resources
Project duration: N/A
Total: Sh3.7 billion

GOVERNMENT OF GERMANY (KfW GERMANY)

Water Sector Reforms

Supporting the water ministry in sector reform
Implementing Agency: Ministry of Environment, Water and Natural Resources
Project duration: planned start date was January 2006
Total: Sh200 million

GOVERNMENT OF GERMANY (KfW GERMANY)

Water Sector Development Programme (Lake Victoria North)

To supply clean and safe water
Implementing Agency: Ministry of Environment, Water and Natural Resources
Project duration: project was started on January 2009 – December 2014
Total: Sh1.2 billion

GOVERNMENT OF GERMANY (KfW GERMANY)

Water Sector Development Programme (Lake Victoria South)

To supply clean and safe water
Implementing Agency: Ministry of Environment, Water and Natural Resources
Project duration: project was started on January 2009 – December 2014
Total: Sh1.2 billion

ENERGY

Total: sh4 million

ORGANIZATION FOR PETROLEUM EXPORTING COUNTRIES (OPEC)

Garrison Sewerage Project

Sewerage project to cover Garrison and its environs
Implementing Agency: Ministry of Environment, Water and Natural Resources
Project duration: Approximately 10/4 years
Total: sh4 million

GOVERNMENT OF SWEDEN

Kenya Water and Sanitation Programme

Programme in the water sector within the areas of water supply and sanitation, water resources management, support to water sector reform process and flood and drought mitigation
Implementing Agency: Ministry of Environment, Water and Natural Resources
Project duration: planned start date was January 2005 – January 2017
Total: Sh5 billion

GOVERNMENT OF NETHERLANDS

Kisii Water Supply and Sanitation Project (Bururyonyu Dam)

Building of Bururyonyu Dam to increase water supply in Kisii and Nyamira Counties
Implementing Agency: Ministry of Environment, Water and Natural Resources
Project duration: June 2014 – February 2016
Total: Sh60 million

GOVERNMENT OF JAPAN

Narok Water Project

Development of detailed design for Narok County Water supply
Implementing Agency: Ministry of Environment, Water and Natural Resources
Project duration: project was approved on October 2012 – January 2016
Total: Sh1 billion

GOVERNMENT OF ITALY

Mariakani-Kaloleni Water Supply Project

To provide clean and safe water
Implementing Agency: Ministry of Environment, Water and Natural Resources
Project duration: July 2012 – June 2016
Total: Sh90 million

GOVERNMENT OF ITALY

Additional Water Works

Additional works related to previous unfinished connections and other works
Implementing Agency: State Department for Water and Regional Authorities.
Project duration: February 2014 – June 2015
Total: Sh49.5 million

GOVERNMENT OF ITALY

Water Services Trust Fund Phase 2 & Nisp

The project was developed to ensure water and sanitation availability and access to the poor in the slums in both urban and rural areas
Implementing Agency: Ministry of Environment, Water and Natural Resources
Project duration: January 2011 – January 2015
Total: Sh97.4 billion

UNITED KINGDOM

Wajir Integrated Development Project

Water supply and sewerage system designated for Wajir Town, while water supply to be done to the towns along the river
Implementing Agency: Ewaso Ng'oro North Development Authority (ENDA)
Project duration: January 2011 – January 2021
Total: Sh20.2 billion

UNITED NATIONS INTERNATIONAL CHILDREN EDUCATION FUND (UNICEF)

Water and Sanitation Services (WASH)

Improvement of hygiene among children in schools
Implementing Agency: Ministry of Education
Project duration: planned start date was January 2008 – January 2016
Total: Sh575 million

WORLD BANK

Kenya Urban Water and Sanitation OBA Fund for Low Income Areas

Project aims to increase the number of people in low income areas with access to improved water supply and sanitation services
Implementing Agency: Ministry of Environment, Water and Natural Resources
Project duration: November 2014 – June 2018
Total: Sh1.2 billion

WORLD BANK

Lake Victoria Environmental Management Plan (LUEVP)

To contribute to the EAC's vision and strategy framework for management and development of the Lake Victoria Basin
Implementing Agency: Ministry of Environment, Water and Natural Resources
Project duration: January 2009 – June 2016
Total: N/A

WORLD BANK

Nairobi Sanitation Project

Project duration: December 2012 – June 2017
Total: Sh7.4 million

WORLD BANK

Water and Sanitation Services Improvement Project (WasSIP)

Rehabilitating and extending existing water supply facilities in Athi Water Service Board, Coast Water Service Board and Lake Victoria North Water Service Board. Rehabilitation and expansion of Lumakanda Kikiparen Water Supply and new intake works
Implementing Agency: Ministry of Environment, Water and Natural Resources
Project duration: April 2008 – December 2012
Total: Sh9.8 billion

WORLD BANK

Water and Sanitation Services Improvement Project (WasSIP)

The project strives to (a) increase access to reliable, affordable and sustainable water supply and sanitation services; and (b) improve the water and waste water services
Implementing Agency: Ministry of Environment, Water and Natural Resources
Project duration: December 2007 – December 2017
Total: sh1.6 billion

ENERGY

Total: sh9.1 billion

AFRICAN DEVELOPMENT BANK (AFDB)

Lake Turkana Wind Farm Project

Will add 320MW to power generation capacity in Kenya. It will be the largest wind power project in Africa
Implementing Agency: Ministry of Energy and Petroleum
Project duration: started working with project developer from 2009
Total: Sh6.5 billion

AFRICAN DEVELOPMENT BANK (AFDB)

Power Transmission System Improvement Programme

Construction of 43km of 132kV lines, the extension of 6 sub-stations and the construction of 8 new sub-stations that will contribute to the capacity of Kenya to increase the number of new connections by 200,000 annually
Implementing Agency: Ministry of Energy and Petroleum
Project duration: August 2011 – March 2015
Total: KSh4.7 billion

EUROPEAN INVESTMENT BANK (EIB)

220kV Ring around Nairobi Metropolis

Construction of 180km, 220kV double circuit ring around Nairobi and Gno. 22/66kV substations to transfer capacity and increase power reliability
Implementing Agency: Ministry of Energy and Petroleum
Project duration: 2011-2015
Total: N/A

EUROPEAN INVESTMENT BANK (EIB)

Menengai 400MW Phase I Geothermal Development Project

Exploring, drilling and investor engagement to meet Kenya's rapidly increasing demand for power while diversifying increasing sources of power supply by developing the country's geothermal potential
Implementing Agency: Ministry of Energy and Petroleum
Project duration: September 2012 – June 2019
Total: Sh847 million

EUROPEAN INVESTMENT BANK (EIB)

Mombasa-Nairobi Transmission Line

The project consists of the construction of a 482km 400kv double-circuit transmission line between Rabei (Mombasa) and Embakasi (Nairobi), and the construction of the extension of the Rabei and Embakasi substations
Implementing Agency: Ministry of Energy and Petroleum
Project duration: January 2010 – June 2014
Total: Sh19.5 billion

EUROPEAN INVESTMENT BANK (EIB)

Nairobi Ring Energy Project

Meant to provide an additional transmission capacity for extraction of power from the new Geothermal power plants at Olkaria and from Lake Turkana Wind Power Plant
Implementing Agency: Ministry of Energy and Petroleum
Project duration: February 2012 – March 2017
Total: Sh2.2 billion

EUROPEAN INVESTMENT BANK (EIB)

Olkaria I & IV Geothermal Extension Project

Olkaria I & IV Geothermal Extension Project
Implementing Agency: Ministry of Energy and Petroleum
Project duration: to be completed on February 2011 – February 2017
Total: KSh1,107 billion

GOVERNMENT OF CHINA

Rabei-Halindi-Garsen-Lamu Transmission Line

Construction of 320km, 220kV, 132/66kV, 22/6kV MWAs substations at Malindi, Garsen and Lamu to connect Lamu Port to the national grid and strengthen supply to the North Coast
Implementing Agency: Ministry of Energy and Petroleum
Project duration: July 2010 – June 2011
Total: sh9.1 billion

GOVERNMENT OF CHINA

Olkaria IV Geothermal Field Production Drilling Project

Geothermal well drilling to add 140MW into the national grid
Implementing Agency: Ministry of Energy and Petroleum
Project duration: January 2011 – January 2016
Total: Sh23 billion

GOVERNMENT OF CHINA

Nairobi 132kV and 66kV network upgrade and reinforcement

Construction of Nairobi City Centre 132kV Network upgrade and reinforcement project and Nairobi 66kV Network upgrade and reinforcement (design, construction and erection of 22kv underground cable from Embakasi)
Implementing Agency: Ministry of Energy and Petroleum
Project duration: July 2014 – June 2017
Total: Sh11.6 billion

GOVERNMENT OF BELGIUM

Thika-Gatundu West Power Line Reconstruction Project

Reconstruction of the Thika-Gatundu West 132kv electrification line
Implementing Agency: Ministry of Energy and Petroleum
Project duration: April 2010 – June 2014
Total: Sh1.3 billion

GOVERNMENT OF BELGIUM

Ngong Hills Wind Power Project

Green energy generation for the national grid
Implementing Agency: Ministry of Energy and Petroleum
Project duration: 2014 years
Total: Sh1.7 billion

GERMAN DEVELOPMENT BANK KFW

Bogoria-Silali Geothermal Electricity Project

Drilling of 20 wells
Implementing Agency: Ministry of Energy and Petroleum
Project duration: N/A
Total: Sh8.9 billion

GOVERNMENT OF FINLAND

Juja Road Electricity Power Distribution Substation Project

Renewal of the Juja Road electricity transmission substation
Implementing Agency: Ministry of Energy and Petroleum
Project duration: January 2014 – June 2016
Total: Sh2.4 billion

GOVERNMENT OF FRANCE

220kV Ring around Nairobi Metropolis

Construction of 180km, 220kV double circuit ring around Nairobi and Gno. 22/66kV substations to transfer capacity and increase power reliability
Implementing Agency: Ministry of Energy and Petroleum
Project duration: 2011-2015
Total: N/A

GOVERNMENT OF FRANCE

Geothermal Olkaria I Unit 4 and 5 and Olkaria IV Power Plants

One of the projects in the greater Olkaria Geothermal Area (GOA) located in the Rift Valley, near Lake Naivasha in the Hell's Gate National Park
Implementing Agency: Ministry of Energy and Petroleum
Project duration: July 2011 – December 2015
Total: Sh15.3 billion

GOVERNMENT OF FRANCE

Support of the development of Geothermal/ Renewable Energy

Purchase of rigs for drilling geothermal wells, training of GDC technical staff and establishment of a power generation and transmission master plan
Implementing Agency: Ministry of Energy and Petroleum
Project duration: May 2010 – January 2016
Total: Sh5.7 billion

GOVERNMENT OF ICELAND NORDIC DEVELOPMENT FUND (NDF)

Suswa Project

Suswa power generation project
Implementing Agency: Ministry of Energy and Petroleum
Project duration: March 2014 – June 2018
Total: Sh11.9 billion

GOVERNMENT OF ITALY

Installation of High Mast Flood Lighting Structures

High Mast Floodlighting structures distributed to slums in various parts of the country
Implementing Agency: Ministry of Land Housing and Urban Development
Project duration: August 2012 – August 2015
Total: sh69 million

GOVERNMENT OF SPAIN

15.6Mw Ngong II Wind Energy Project

Installation of additional 15.6Mw wind farm in Ngong Forest by tapping the wind potential prevalent in Ngong area in order to provide additional power to the national grid and hence increase the national power generation
Implementing Agency: Ministry of Energy and Petroleum
Project duration: Approximately 5 years
Total: Sh1.9 billion

WORLD BANK

Kenya Electricity Modernization Project

The project aims to increase access to electricity, improve reliability to electricity service; and to strengthen KPLC's financial situation
Implementing Agency: Ministry of Energy and Petroleum
Project duration: March 2015 – June 2020
Total: Sh5.8 billion

WORLD BANK

Kenya Electricity Expansion Project (KEP)

To extend geothermal penetration in order to increase the capacity, efficiency and quality of electricity supply; and expand access to electricity in urban, peri-urban and rural areas
Implementing Agency: Ministry of Energy and Petroleum
Project duration: May 2011 – May 2016
Total: KSh26.6 billion

WORLD BANK

Energy Sector Recovery Project (ESRP)

Strengthening the energy sector regulator capacity to carry out an electricity tariff study and set power tariffs and prepare the secondary legislation
Implementing Agency: Ministry of Energy and Petroleum
Project duration: July 2010 – December 2013
Total: Sh12.2 billion

GOVERNMENT OF SPAIN

Livangalani-Suswa Line

Construction of 480km, 400kv double circuit line and 400/220kV substations at Livangalani and Suswa to evacuate 3000MW from Lake Turkana Wind Plant
Implementing Agency: Ministry of Energy and Petroleum
Project duration: 2010-2012
Total: N/A

GOVERNMENT OF SPAIN

Development of Solar Energy in Kenya

To facilitate development of solar energy in several ASAL Districts in the 47 counties
Implementing Agency: Ministry of Energy and Petroleum
Project duration: September 2011 – January 2015
Total: Sh1.3 billion

GOVERNMENT OF SPAIN

15.6Mw Ngong II Wind Energy Project

Installation of additional 15.6Mw wind farm in Ngong Forest by tapping the wind potential prevalent in Ngong area in order to provide additional power to the national grid and hence increase the national power generation
Implementing Agency: Ministry of Energy and Petroleum
Project duration: Approximately 5 years
Total: Sh1.9 billion

GERMAN DEVELOPMENT BANK KFW

Olkaria Lesser Olkaria Power Lines Construction Project

Construction works for transmission lines, expansion of substations and consulting services
Implementing Agency: Ministry of Energy and Petroleum
Project duration: March 2013 – June 2018
